

REMARKS

Claims 4-5, 7-8, 11-13, 15 and 17-18 are all the claims presently pending in the application. Claims 5, 15 and 18 have been amended to more clearly define the claimed invention.

It is noted that the claim amendments are made only for more particularly pointing out the invention, and not for distinguishing the invention over the prior art, narrowing the claims or for any statutory requirements of patentability. Further, Applicant specifically states that no amendment to any claim herein should be construed as a disclaimer of any interest in or right to an equivalent of any element or feature of the amended claim.

Applicant gratefully acknowledges that claims 4, 7-8, 11-13 and 17 are allowed. Applicant notes that claims 5, 15 and 18 have been amended to depend from allowable claim 4. Therefore, Applicant respectfully submits that all of the claims are in condition for allowance.

In view of the foregoing, Applicant submits that claims 4-5, 7-8, 11-13, 15 and 17-18, all the claims presently pending in the application, are patentably distinct over the prior art of record and are in condition for allowance. The Examiner is respectfully requested to pass the above application to issue at the earliest possible time.

Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.
